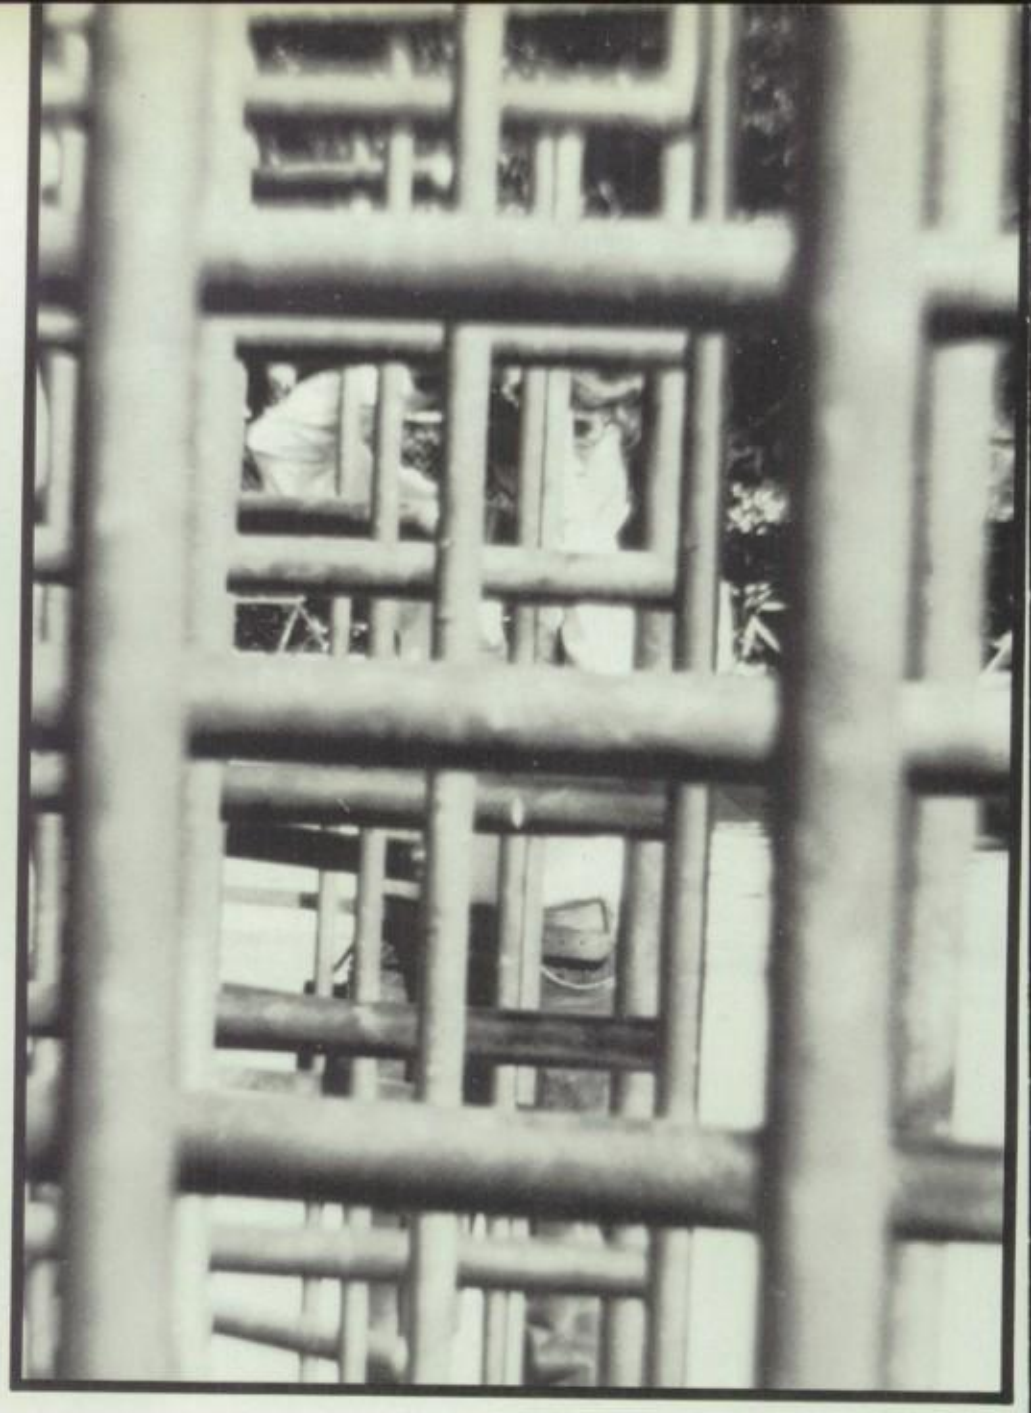
It's time to know with your whole being those things that speed by you every day and those things which should be remembered always.



It's time to open your eyes and see this portion of your life,

It's been real fun having you in Social Studies even though I didn't get to know you that well you are a real sweet guy. I hope that I will be seeing you during the summer and next year. Have fun at your next years at Foothill Valley. Love, Natalie

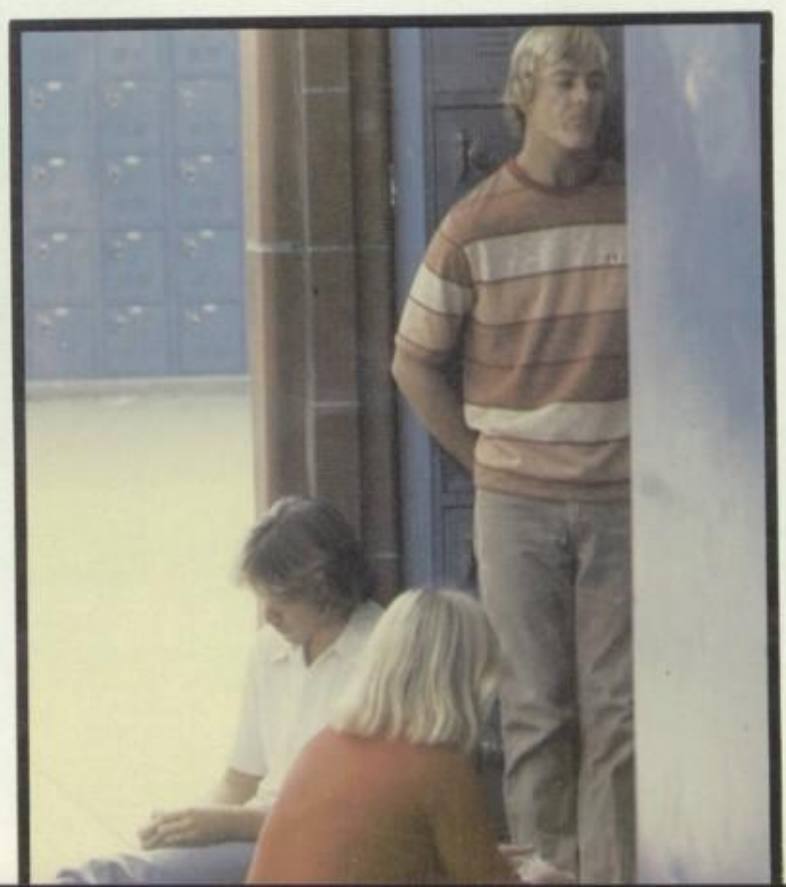
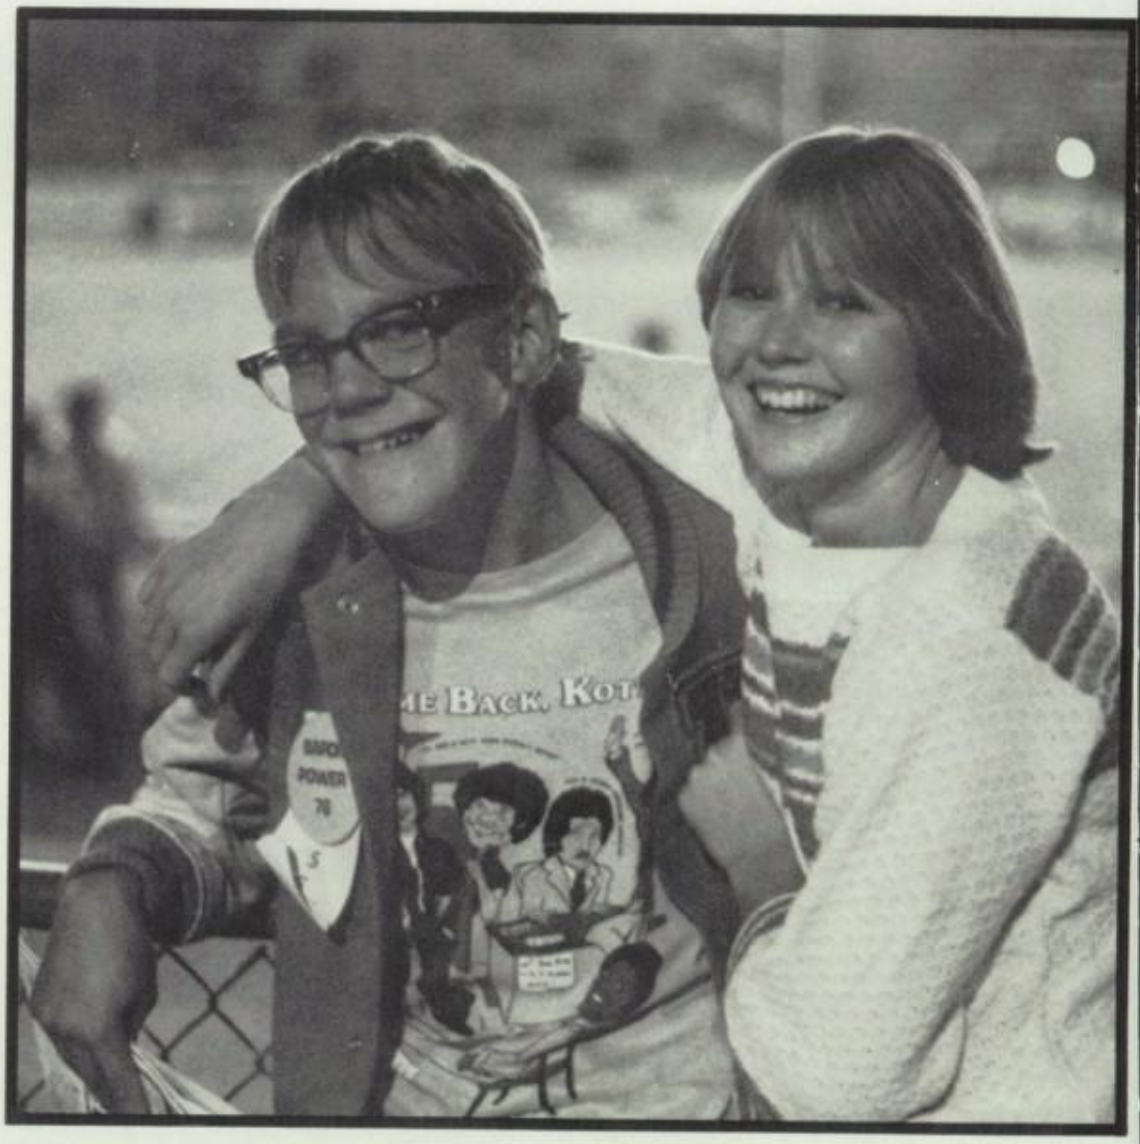
Know that you have left something behind for that one person, just as that person has left something for you.



It's time to listen
to the multitude of
sounds that flourish
around you, diminishing
further and further
away as time passes.



Hear them now
before they come
to rest in the
inner depths of
your mind, never
to be heard

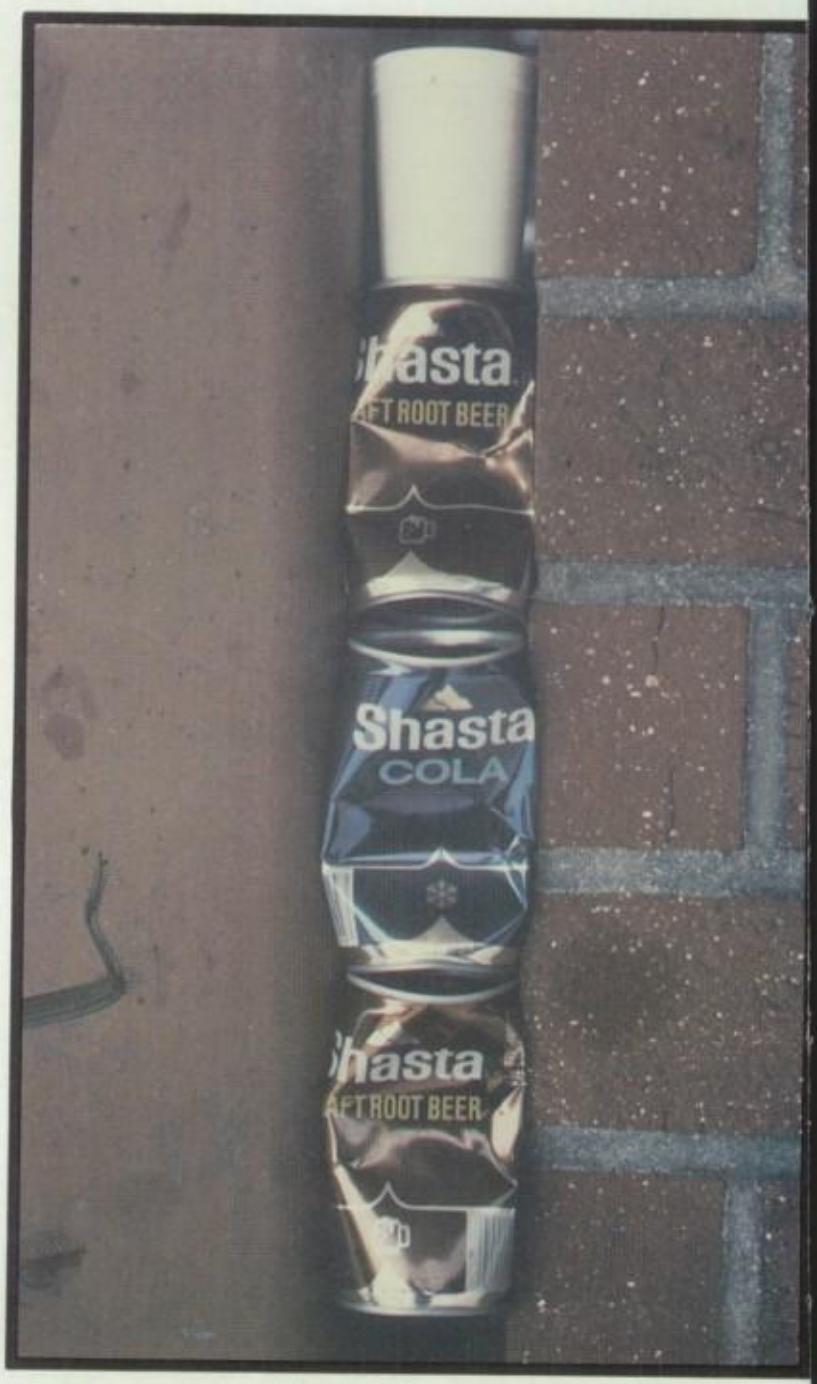
It's time to speak and sing of today. Weep and laugh with those close and those not so close to you. Share your emotions while there is still that flame in your heart or that tear upon your cheek.



For soon the flame
shall flicker,
and the tear will
be no more.

Hey Doug

CHOICES OF '76

The fall of 76 offered many choices — choices ranging from that of the national Presidency to that at the community level, the Huntington Beach redevelopment. The choice in the presidential party was that of the Ford-Dole or Carter-Mondale. These choices were covered in many ways ranging from television debates to community rallies. This coverage helped bring out the diversities of each candidate. Ford paid a visit to FV for the enthusiastic crowd who waited for hours to catch a glimpse of the President. An estimated 30000 showed up at Mile Square Park to greet the President. MGM students held a mock election where FVHS students had the chance to voice their opinions on the Presidential candidates. The outcome gave Ford an overwhelming victory. Choices were also made in the areas of the Senate. California incumbent

FORD

"There is absolutely no doubt that Gerald Ford is the far better qualified candidate for President. Armed with his excellent two year record and the dynamic Republican platform, Ford has shown himself far better prepared than Carter. The Democrat nominee offers us nothing except the usual; a muddled up platform with dozens of promises he can't keep. Ford, on the other hand, has taken a world leadership position in foreign affairs and advanced sound fiscal policies at home. His election is vital to the future of this country as we know it."

Rob Schofield

above right: One of many meetings held in concern over the redevelopment of Huntington Beach.

above: Spectator Joe Bunney fights hard to keep up his strength by stuffing down donuts after helping make way for President Ford.

above: Allison studies a petition she presented. On it were hundreds of collected signatures of Fountain Valley students against the proposed redevelopment.

Tunney was unseated to his surprise by 70 year old Hayakawa. New officials were chosen on the community level. Many of which would make decisions regarding such things as the redevelopment project of Huntington Beach. This is a project which includes a complete change in downtown Huntington Beach, with possibilities of highrise buildings and a total turn over of the present merchants. Relocation of the elderly also was a possibility. 1976 was also the year of Title 9 which referred to the bill of Equality Rights. This now means that girls and guys must be given equal treatment in school. This affected such areas as physical education and eliminated such sexist groups as Girl's League.

CARTER

"Carter is by far the better presidential candidate, he is able to offer us hope in the restoration of our faith in the American government. His successful governmental reorganization in his home state of Georgia offers us proof of his ability to govern and make good on campaign pledges. With Carter as President we will be at last able to have a government more open with its people, not hiding behind its big business backers. Carter's election is a must to the safeguarding of our country and America's return to greatness."

bottom right: Cowboy, Linda Kelsh, shouts out the next event.

When the big red dunking machine was pulled onto the FVHS campus, everyone knew it was SPIRIT WEEK. Even though we only had four days, the mighty Baron Spirit was sure showed.

Among the activities different clubs and organizations could compete in were tricycle racing, bubble gum stretching, peanut pushing around the bowl, pie throws, and trying to accurately throw a ball at the target on the dunking machine.

Of course we had the usual amount of selling going on; Keywanettes delivered Mums, Student's League sold See's suckers, the Pepsters sold extra long Homecoming ribbons, and sticky pink cotton candy was sold in front of the activities office.

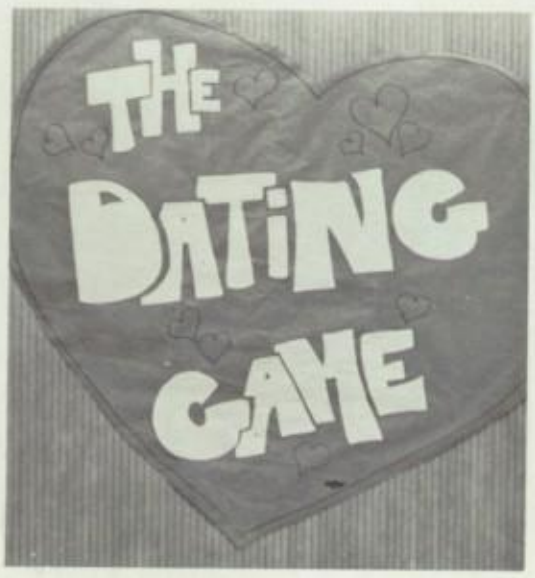
A NEW FACE COMES TO FVHS

A new face seen on the FVHS campus was that of Mr. Bob Ferguson. Mr. Ferguson, or Uncle Bob as the Student Government fondly calls him, came here from Westminster High School. He arrived here totally new to activities and has done such an outstanding job. Mr. Ferguson brought with him an easy personality to get along with as well as many new ideas.



top left: Mr. Ferguson and Mr. Friess confer about the next Activities Day on their way to lunch.

top right: Mr. Spencer conducts a rather disorderly Ski Club meeting in a cramped room.

middle: On Nov. 18, 1976 the second annual Dating Game was held in the FVHS gym.

right: Becky Lindow, with a familiar face, announces the next group of Dating Game Contestants.

One of Mr. Ferguson's new ideas was FVHS's "Activity Period." During this 50 minute period, many options were available to the students. Student Government sponsored a band in the bowl, and usually some sort of assembly in the gym. Drama Club provided "Ham on Rye" entertainment and many clubs and commissions found Activities Period a convenient time to meet. Activities Period was a great success and an enjoyable break in the school week.

THE WAY THEY CLAD THEMSELVES

As each new season brings with it new fashions, this was no different. Boots became a notable addition to the campus. Polo shirts, with their bright stripes and white collars livened the surroundings. Jumpsuits became a very contemporary fashion, these being a one piece apparel, decorated in many ways. Bags go bigger as pants got narrower. Black was once again a popular color. Shoes came down from the heighthy heights of the platforms and frequently could be found tied. Tennis shoes were for all around use.

top left: The years distinguished shoes. Canvas wedgies, leather wedgies, boots and thongs.

top right: Bob Soulc with a blow dry cut. Shorter than in previous years, this cut is easy to keep, and a good looking style.

bottom left: A sampling of campus attire worn by Donna Mills, Cindy Begdnda, and Carla Mills. Jeans were still in demand, shown here with a vest. Turtle neck sweaters and pants made for comfortable dressing.

bottom right: Victoria Howard wears the cowl sweater accompanied by an ethnic striped sweater which atops straight legged pants and boots. On her hands are examples of the typically worn turquoise jewelry.

Jeans and T-shirts were the most frequently worn by both guys and girls. In cooler weather sweaters appeared, many of which were bulky. A popular sweater was the cowl with its large floppy neck. Boots often accompanied gauchos, a type of skirt with pant legs. These became more apparent as the year progressed. Many times worn with vests. Another noticeable fashion trait of the season was the shortening of hair length by many. The wedge, a cut way above the collar, became a popular for girls. This was made famous by Dorthy Hamil the Olympic ice skater. We also began to see the hair of the fashion conscious young men become shorter and groomed to the head.

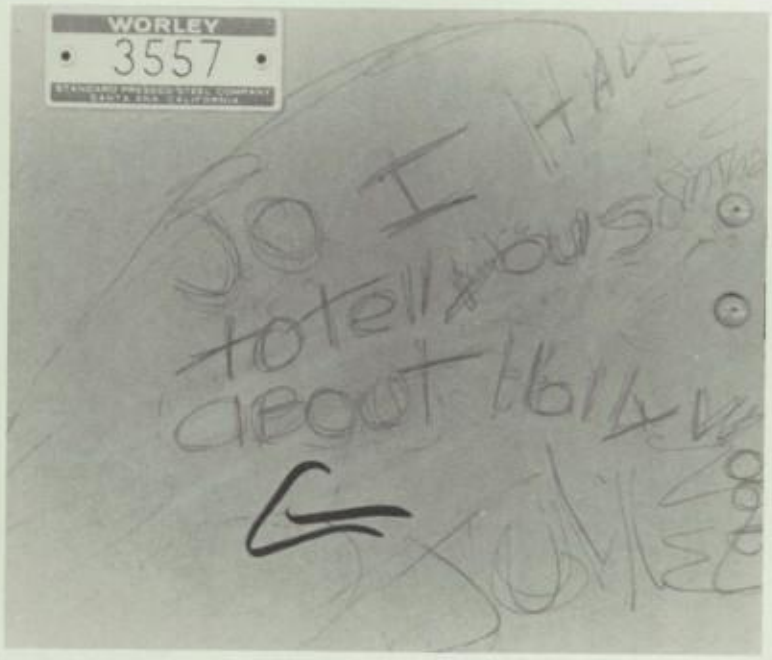
bottom left: Gauchos were the new apparel addition to closets. Here they are worn by Cheryl Blatney and Susanne Presta with the tie shoes and T-shirts.

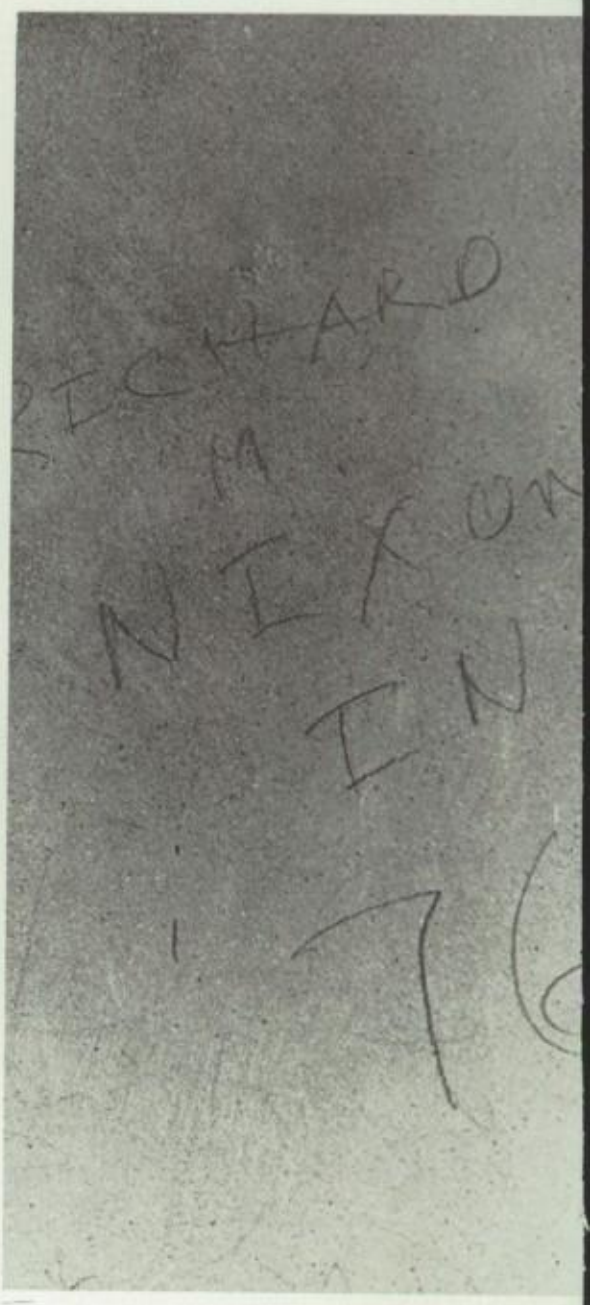
above: Polo shirts and jeans were found adorning many of the young gentlemen on campus, as worn here by Brent La Flame.

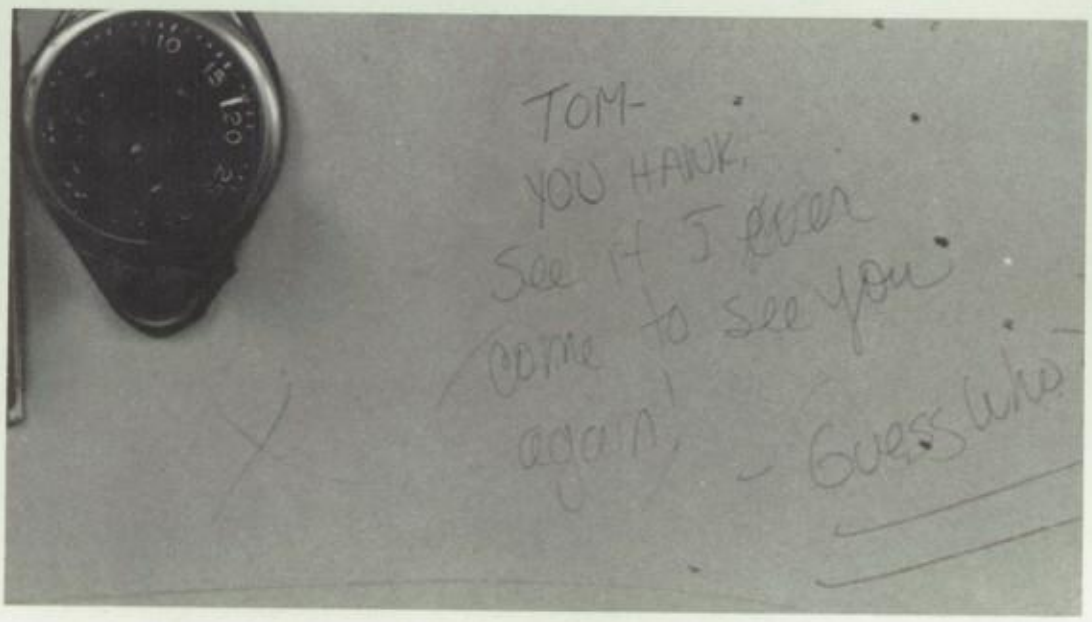
top left: The tennis shoe was the most frequently worn shoe. They came in many different colors and makes. Desert boots and surfer sandals were worn by many.

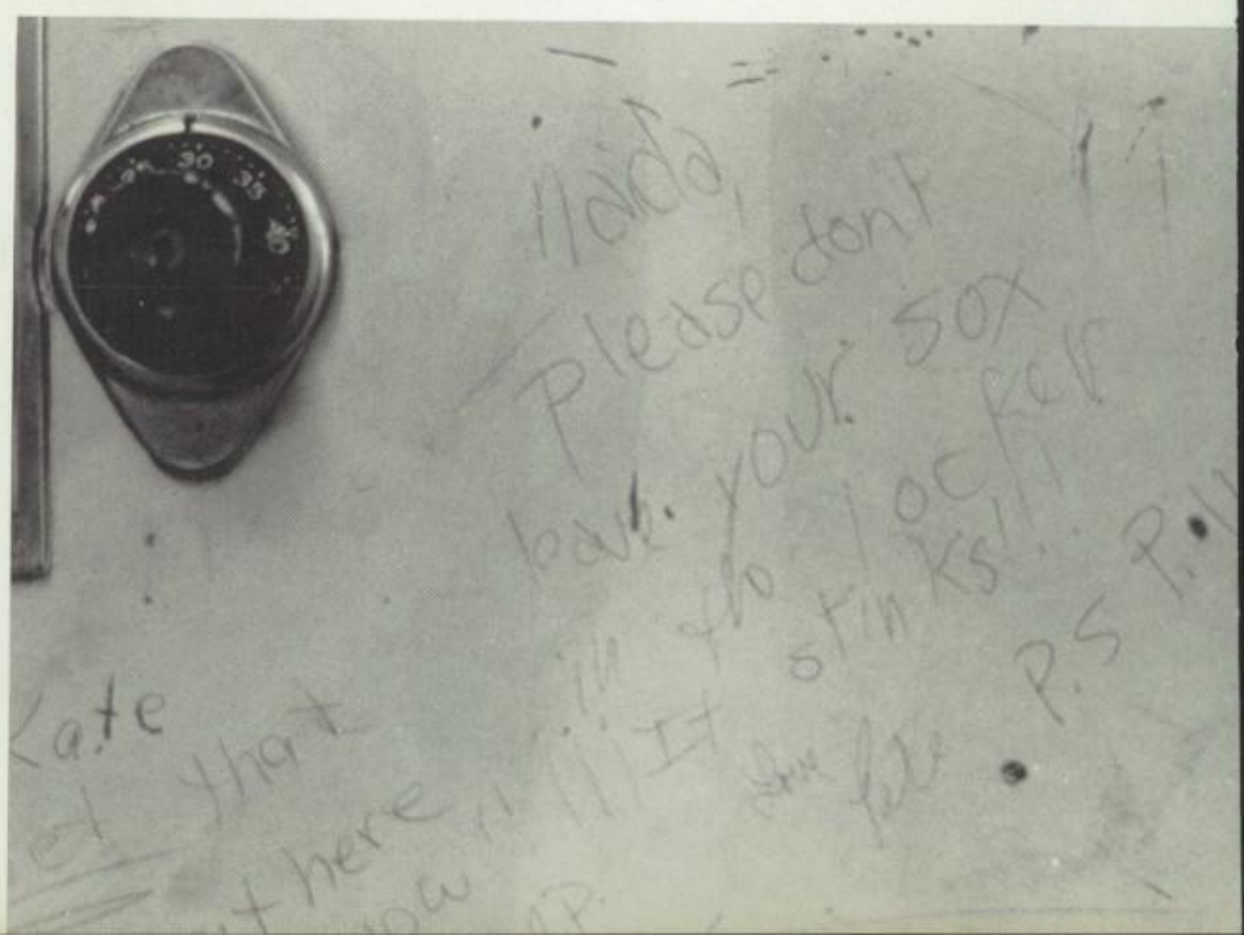
top right: Lorie Jones wears a colorful jumpsuit. Done uniquely in patchy and ribbon in patches and ribbons on denim.

"A PLEA TO THE GRAFFITTI WRITERS OF FVHS"









Have you ever noticed the abundance of "writing" that abides in our school? It is perfectly clear that the authors of this graffitti need a place proper and fitting for this type of expression. It must be admitted that these young writers put both cleverness and feelings into their "projects and remembrances," but such places as bathroom walls and lockers really are not very appropriate places. One idea that has been tossed around a bit is to put big tablets of butcher paper in the bathrooms or hang chalk boards armed with an ample supply of chalk on the walls. Perhaps this would help a bit?

The theme "Dream Weaver" seemed fitting and proper for the 1976 Homecoming, as a little girl dreamt the Homecoming half-time show. Her dream ended in the introduction of the 1976 Homecoming Princesses: Nansi Brower, Monica Case, Marci Rotcher, Debbie Smith and Wendy Wojciechowski; each escorted by her father. These five girls were announced as "the five beautiful maidens" in the fantasy kingdom, one of which was to become the new reigning Homecoming Queen. As the piercing voice of the trumpets was heard and while fireworks broke the night's silence with dazzling lights, a voice boomed over the speaker "The 1976-77 Homecoming Queen is Debbie Smith."

The drama department really outdid themselves when they produced the play "David and Lisa." The play, written by Theodore Issac Rubin, is about two mentally-disturbed adolescents. The main characters, David — played by David Brook and Lisa played by Susie Curtis, each have their own problems and both suffer because of them. David, the only child of wealthy parents, has a fear of germs and people. Lisa, who has never known any parental love, has a split personality and likes to be talked to in childish rhymes. The play shows how these two characters interact with one another and with their acquaintances at the Berkeley School under the guidance of psychiatrist Alan Swinford — played by Steve Pemberton.

"DREAM WEAVER"

"Dream Weaver" was selected as the 1976 Homecoming theme. The half-time show was based on a little girl's dream as told by her grandfather. The dream started with the birth of a beautiful baby daughter to a King and Queen. A celebration was held and all the magic fairies were invited, except one unworthy fairy. This fairy took the baby girl and parted with a riddle. The King tried to solve the riddle but to no avail. Finally he called in a marvelous wizard who solved the riddle, thus introducing the five Homecoming Queen nominees; Nansi Brower, Monica Case, Marci Rotcher, Debbie Smith and Wendy Wojciechowski.

LION COUNTRY HOSTS DANCE

The 1976 Homecoming Dance, "Dream Weaver," was held at Lion Country Safari. The wild animal park offered a variety of entertainment for its eager guests. The band "Liberty Four" was featured for dancing, "hippopotamus" paddle boats were open to paddle around the lake in, the Safari train took its passengers for a short turn around a few animal areas, and Tiki torches illuminated the walk ways for couples to explore by themselves.

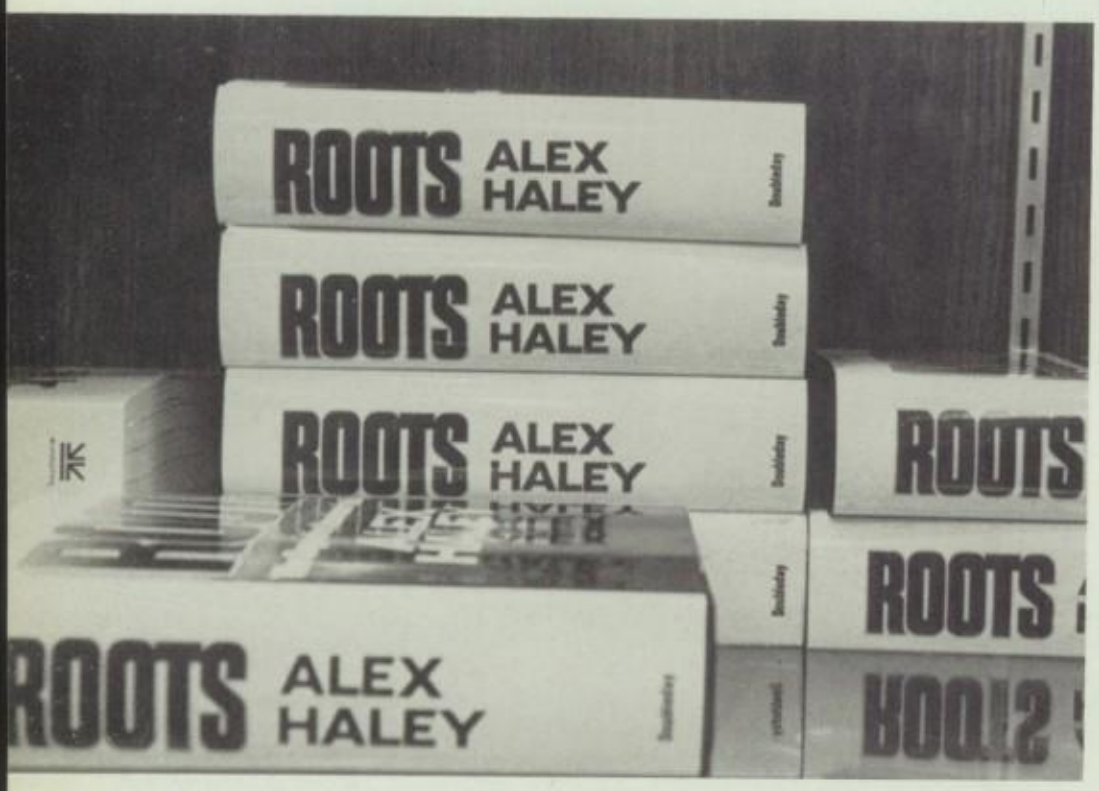
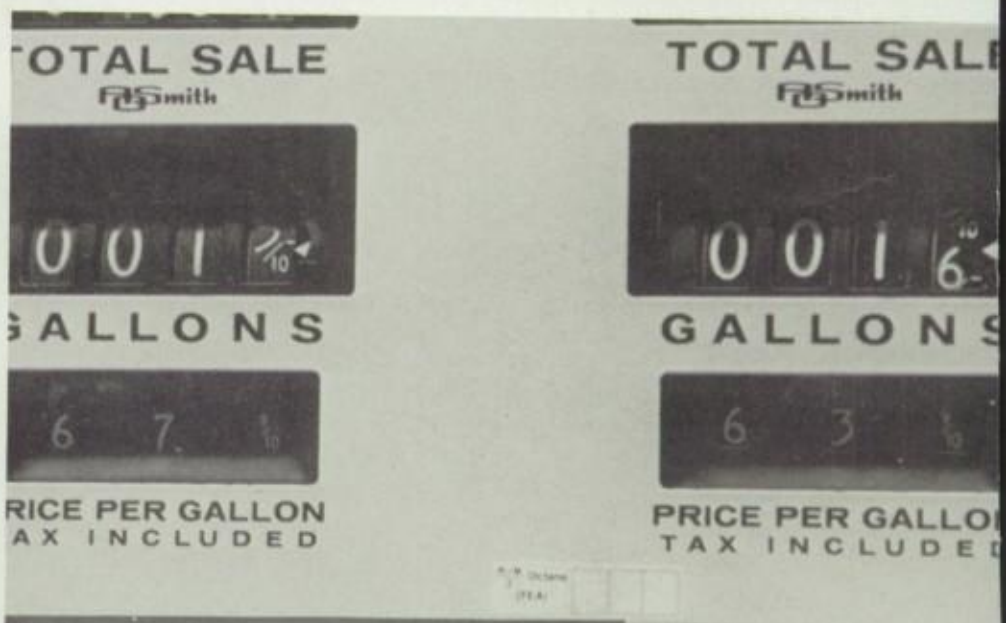
IN VIEW OF '77

1977 in addition to being the first year after the bicentennial was a year for new fads, higher prices, and a variety of things that may not seem too special now but soon will be.

Take the fads, for instance. 1977 was the year of the sporty car. As the year went by more and more small, sexy, expensive, and awe-striking vehicles appeared. Porsche cars with their multicolored paint jobs and TR-7's with their triangle-shaped appearance seemed to pop up out of nowhere. But, these cars were not the only new means of transportation evolving. Mopeds, or motor/pedal bikes also had their start in '77.

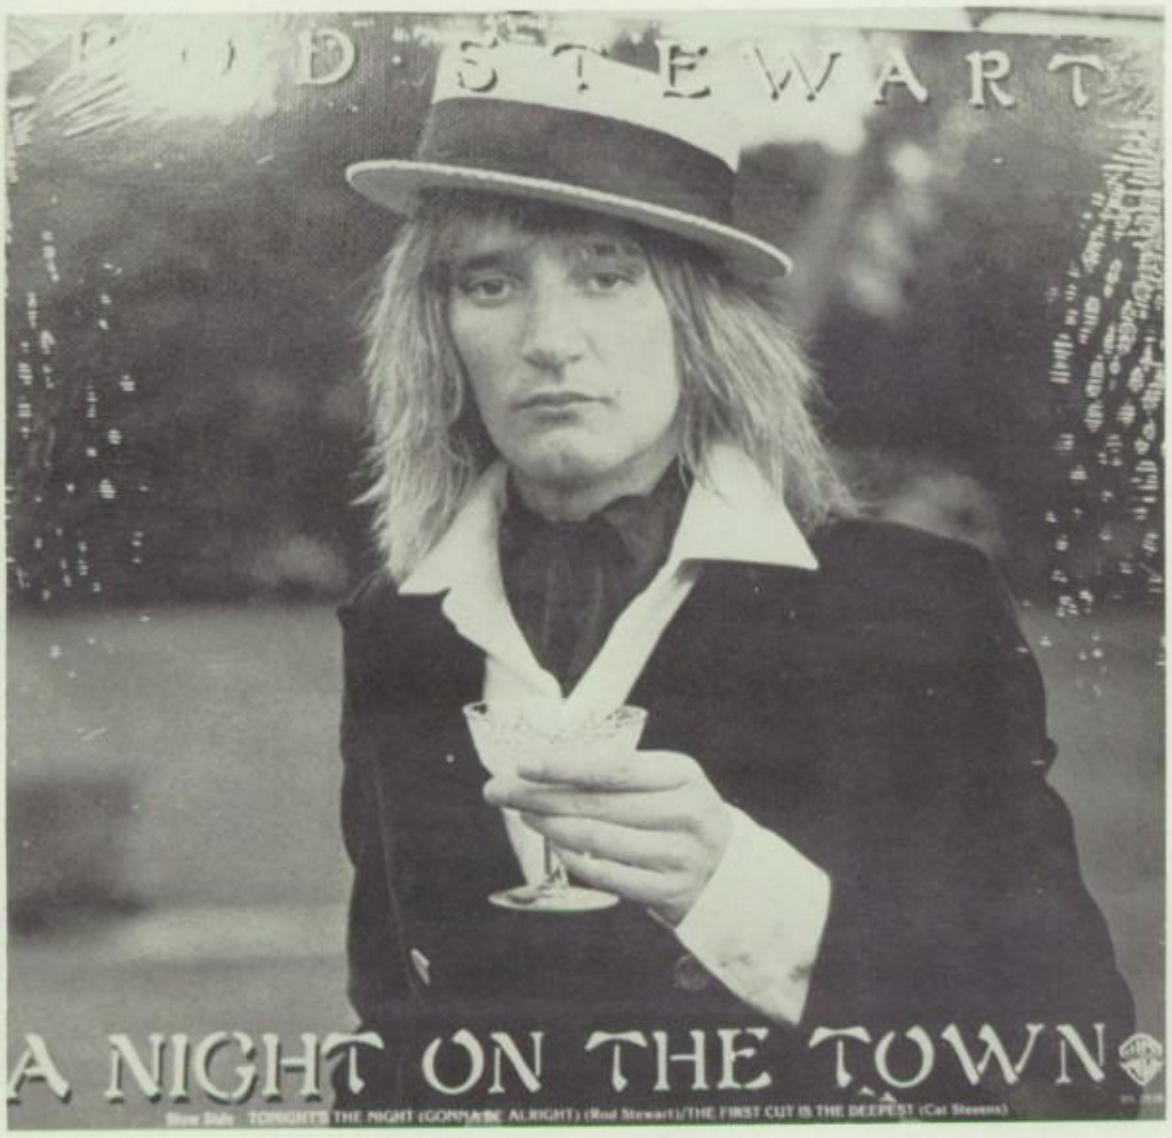


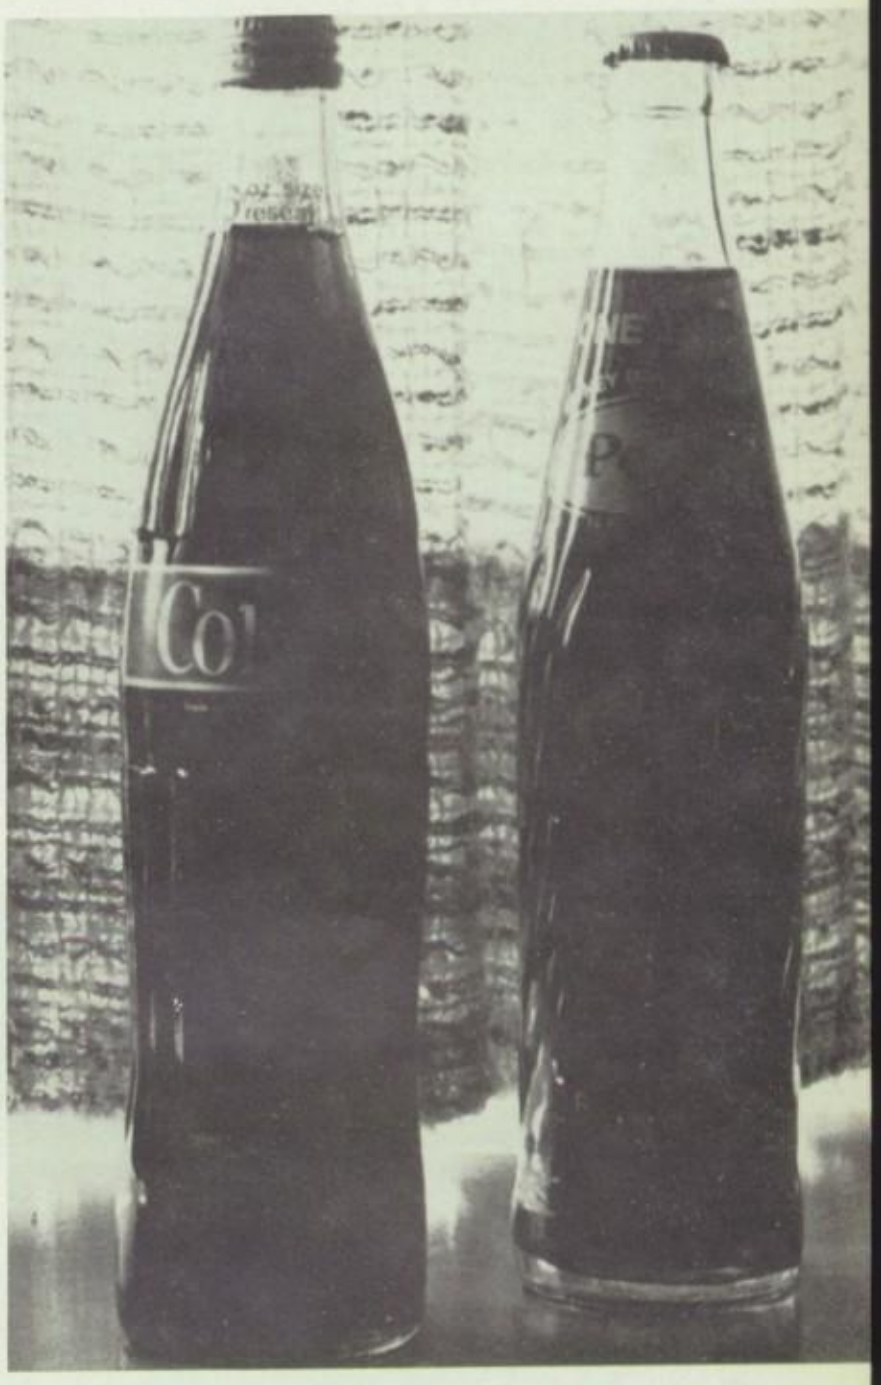


T-shirts with very bold sayings such as, "Flirt", "M&M", or "Experienced", were worn by many. Levi's blue jeans were still hanging on.

Prices seemed to be always climbing. Did you ever hear about the 10¢ movie and the penny caramel? Well in 1977 movies cost 25 times more. Then there is the local hamburger joint. For 2 bucks now you can purchase a drink, a burger, and fries. What about albums? Most cost about $4.98 to $6.98, tapes ranging anywhere from $5.98 to $7.98.

A few other things worth mentioning about '77 . . . the famous "taste tests" between Pepsi and Coke, the hit TV show "Rich Man Poor Man," Alex Haley's book and TV special "Roots," and of course, sexy Farah Fawcett-Majors.





"SWING YER PARTNER" SADIE HAWKINS DANCE '77

above: A group of hill-billies, all dressed up in their overalls and red and white checkered shirts.

The traditional Sadie Hawkins dance, sponsored by the Senior Commission, was the greatest success in the history of the school. Over 400 couples, all dressed up in hill-billy type duds enjoyed participating in the old country atmosphere. The band "Vintage" was on hand for dancers, a kissin' license could be obtained for the price of one small dime, Marryin' Sam and Sally hitched couples together in a rather hasty marriage ceremony, and a moonlight hayride was available for those who dared to wait in the very very long line. The hayride seemed to be the main attraction as wagonmasters Mr. Mennealy and Mr. Ellerman drove their passengers around the field for only 25¢. A country band serenaded couples who walked around outside for a breath of fresh air.

"THIS PROPERTY IS CONDEMNED"

'This Property Is Condemned,' a play written by Tennessee Williams is a simple one-act play whose plot concerns a lonely young boy and girl who meet by some railroad tracks. They carry on a conversation bringing out the kinds of lives they each lead. While they speak, the audience notices that each seems to find the friendship which had formerly been lacking.

The play was directed by Cheryl Niemeyer, the stage manager was Melanee Steven.

The two actors were Jack Jean playing Tom, and Melissa Swift playing Willie.

"BLACK COMEDY"

Peter Shaffer wrote "Black Comedy" the second of the two Fall plays put on by the FV Drama Dept. This play centers around Brindsley Miller who has a party, among the guests being his fiancee's father and a deaf millionaire. The play really comes alive when the lights go out, the rest of the play is then spent in a state of confusion and darkness.

This play was directed by Keith Margolis, the stage director was Cheryl Paselk.

WE FOUND IT: CSP

One hundred and ten caring sophomores, juniors and seniors board the bus at Fountain Valley High each day and journey four miles to a very unique classroom, 100 acres of grounds and facilities at Fairview State Hospital. At Fairview, Fountain Valley students, under the direction of trained hospital staff, participate in a wide variety of activities with mentally retarded residents. These student volunteers make up the class called Community Service Program.

CSP students from Edison and Fountain Valley work daily with clients in areas of motor development, movability training, music, arts and crafts, physical education, recreation, escorting and teaching the three R's.

The 10:30 CSP students vary their activities on Friday by escorting clients to Ice Capades in Costa Mesa and instructing them in ice skating. Students are sometimes asked by the staff to assist clients on field trips to the mountains or Disneyland. Most students find their assignments in CSP interesting and a real challenge.

CSP is a class that offers much to many. At this time when much concern and attention focuses on the State hospitals and their treatment of clients the staff at Fairview appreciates the increased amount of personal care that volunteers give residents. Greater self-awareness, sensitivity to the needs of others and a better understanding of humanity are general outcomes for all CSP students.

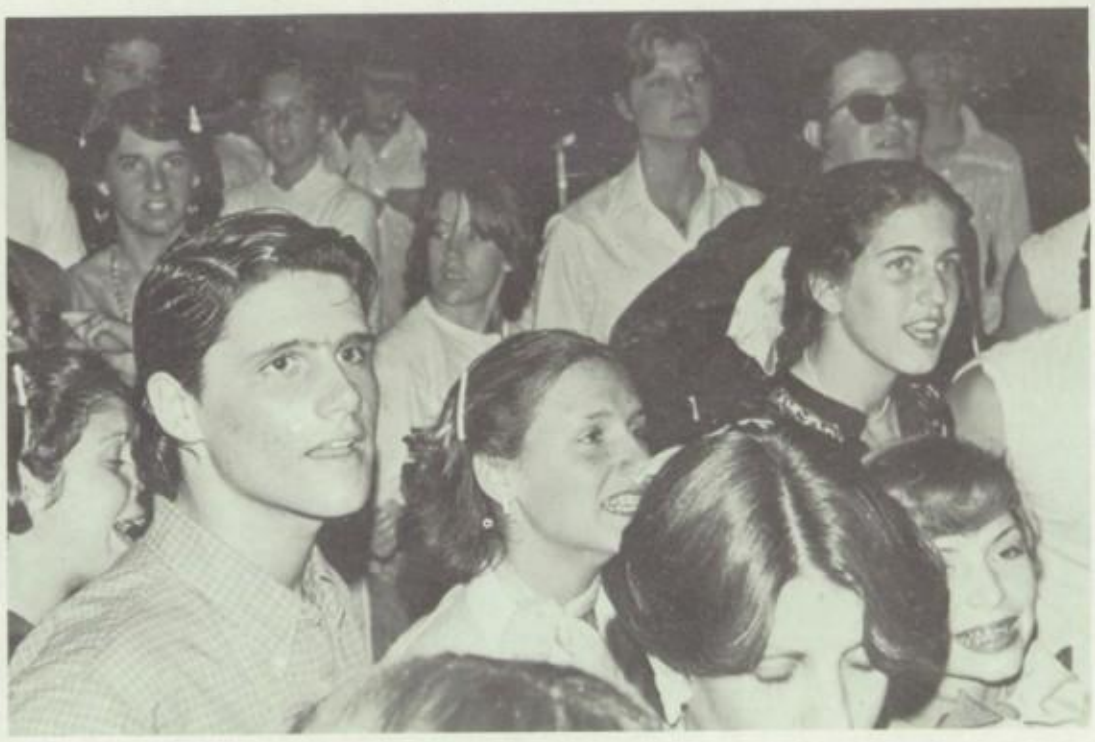
Mr. Flory, Social Studies Department, initiator and CSP Coordinator for FV accepted a Gold Award for the merits of the program from the American Psychiatric Association in September of 1976.

"AAAAA . . .
IT'S THE 50'S 60'S DANCE!"

The annual 50's-60's Dance rocked and rolled its way to a smashing success. Pony tails, bobby sox, tight leather jackets, and Saturday night's best old blue jeans all added to the nostalgic atmosphere.

The band, also dressed in their best "grubbies," Pastels, played all the old favorites including "Rock Around the Clock."

Some of the entertainment included the "Teen Angel" contest, a dance contest, climbing on a few old classic cars, and just plain having fun.



Student's League Presents
Valentines Dance 1977

"MOONLIGHT AND ROSES"

The elaborately decorated ballroom at the Costa Mesa Country Club was the setting for the 1977 Valentines Dance, "Moonlight and Roses," sponsored by Student's League. The evening was highlighted when the Valentines Court was announced. Blanche Hillman was named the Valentines Queen, while Bo Boxhold was chosen King. The other members of the court included: Junior Prince David Brook and Princess Lynn Knos, Sophomore Prince Gil Compton and Princess Terri Flenniken, and Freshman Prince Bob Von Hatten and Princess Kathy Brook. The couples danced to the sounds of "Marbles" in the dimly-lit romantic atmosphere. A special "bar" served ginger ale and seven-up while several large pink and white Valentines cakes were set out on long tables. Outside, on the balcony, couples could wander off talking softly to one another, hoping their night of "Moonlight and Roses" would never end.

SPRING MUSICAL GETS ITS CHANCE.

The Spring musical never has its chance to be mentioned in the Raconteur. This year it is. Rehearsals of the musical "Oliver" were taken so that all of the students who put in so much of their time and effort may have a chance to get recognized. The play was cast and directed by the new Drama teacher, Carole Cooney. The Vocal Director, also a new teacher to FVHS, was Mr. Antel. Ms. Clower directed the Orchestra, of course.

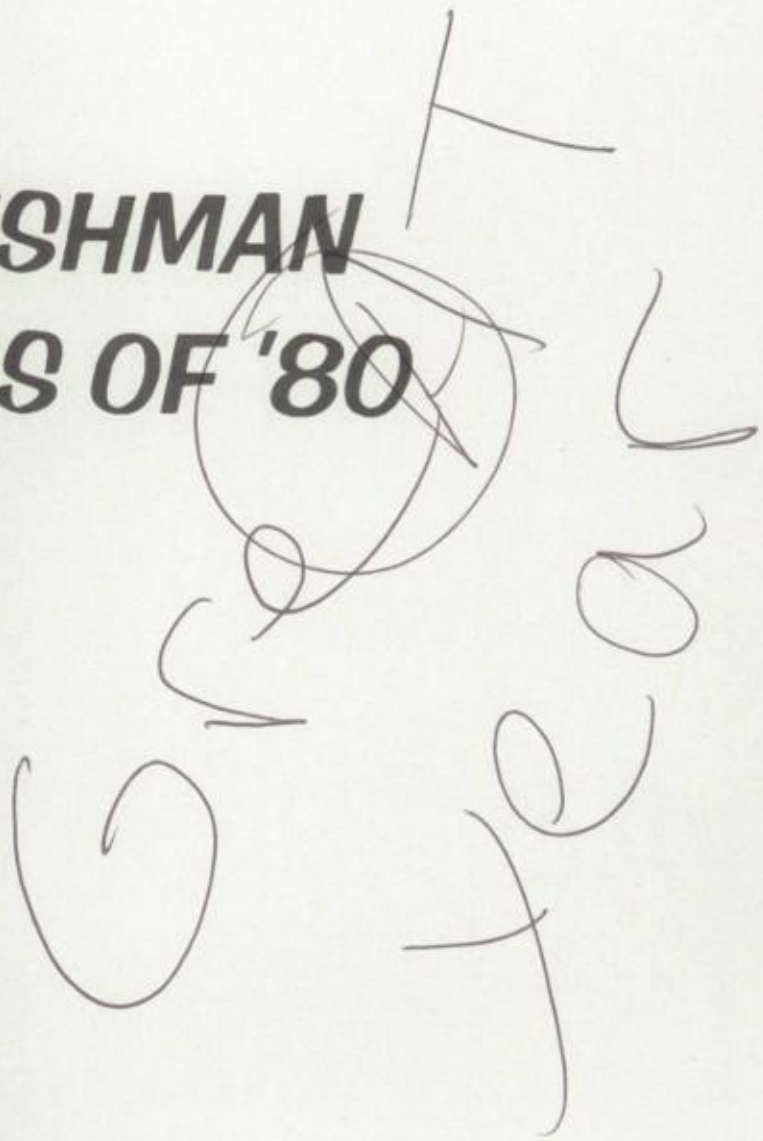
FRESHMAN
CLASS OF '80



First impressions of FVHS as seen through the eyes of Freshmen

When I first saw Fountain Valley High School it was eight years ago. I couldn't wait to be a Fountain Valley Baron. I finally made it and it's the best school in the world, the people's spirit is sky high. I think I'll die before I graduate. Oh boy! I've got three more years after this? Wow, I finally made it. I have never seen so many good looking chicks in my life!!! I like the eating situation. It felt like a can of sardines with too many sardines in it. I like the in-service days the best. The best thing about Fountain Valley High School is the **BOYS. HELP!** In order to make Fountain Valley High School the best high school in the world they'll have to put less sawdust in the hamburgers. It was like being on a crowded bus. I like the way the teachers don't hound you. I felt pretty dumb walkin' around not knowing where to go. When do I get to be a senior? Mommmmmmmmmy! It was like a people zoo. Daddddddddddy! I was kinda sorta a little bit confused. Everybody's picking on me. I'm scared! Come on you guys, quit throwing me in the trash can. Where's the bathroom? Can you tell me the best way out? Hey you guys, this isn't the girl's locker room, this is the boy's locker room, I'm soooooo embarrassed. I don't wanna go home? When do we do any work? When's recess? Will somebody please tell me where the nearest football players are? This is a high school. Where's the party? I'm telling. My locker's on fire! My locker's on fire!! Why is everyone running from the seagulls — oh, never mind, do you have any kleenex? Is that the noon duty teacher? It's so crowded I can't breathe. This seems like a pretty good place to spend the next four years. Fountain Valley — we are number one. Hail Fountain Valley, HAIL TO THEE!!!

Varsity Football Blazes Through CIF!!!

As reported by D. Bohay and N. Rawe

The 1976-77 Baron Football Team kept alive a tradition begun last year — that of participation in the CIF playoffs. The Varsity blue and gold compiled the best season ever in this school's history with a 10-2 record. The season, however, ended prematurely in the quarterfinals of CIF competition against a tough eleven from the steel mills of Fontana. Ranked number one most of the season, the mighty Barons bloodied and embarrassed many opponents. By allowing just under 6 points a game, the Barons' defense paved the way to victory throughout the year. By blanking Los Alamitos in their play-off opener, the Barons posted their fifth shutout of the year setting a new school record. The Baron offense, on the otherhand, consisted of a lethal knockout punch running attack, complimented by a devastating air barrage. This arsenal of football power dazzled opponents with an average of 28 points per game. All Sunset League performers were headed by T. Bienek, D. Bohay, B. Boxhold, F. Christy, W. Gittens, B. Grilz, T. (Homer) Holmes, K. Margerum, J. Mason, M. Musso, R. Padilla, M. Seymour and R. Stanton.

The highlights of the year were 26-0 shut-out of Edison and a 48-12 route of Westminster for the League Championship. Another successful season for the Baron Sophomores.

Varsity Basketball Makes Baron History!!!

The 1976-77 Varsity Basketball team took League Championship for the 6th consecutive year. This year's team was the best team in the history of FVHS. The undefeated League Champs went to the Quarter Finals in CIF before losing to the excellent Compton team. The Barons also entered three tournaments in all of which they took first place. Players C. Barrios, S. Ford and R. Holmes made All-County and B. Wilkinson made All-League. The Baron team was talented offensively, they scored 74 points per game which was the highest average in Orange County. Coach Brown stated, "I was very pleased with the dedication and hard work of the players. The team was a superb group of athletes, who played as a team and hustled and played well in every game." In addition to the players who were so deservingly honored on the All-League teams, there were many other talented Barons to be proud of. G. Svalstad did an especially good job as center, B. Boxold, B. Carroll, B. Rofer, M. Heide, M. Isrealsky and C. Albin all played very well coming off the bench, and were definite keys to the Barons' success.

JV Basketball . . .
Champs All-Around

By finishing 8 and 2 in League this season, the JV Basketball team accomplished what many considered to be a mild upset by winning the Championship for the 4th consecutive year. The final game of the year was one of the most exciting games of the season and served as a fitting climax as it was a pressure filled victory by FV over Edison 49 to 48 and earned FV the Championship.

The strength of the team was their shooting ability which resulted in a record setting field goal of 45% for the season and a high game of 97 points against Rancho Alamitos. This surely helped in recording a fine 20 and 4 season, but once again hard work, patience and a determined will to win proved to be the key to success.

FVHS could indeed be proud of the JV team on their outstanding performance.

JV Basketball — **L to R:** C. Sickman, D. Espinoza, S. Williams, J. Wettleson, J. Kaufman, C. Reiff, K. Christensen, D. Greenleaf, C. Mack, S. Wessa, M. McCarthy, S. Simon, T. Tobias, S. Shibata, Coach D. Timmer.

Their 9-1 League winning record also broke the past Sunset League Record. The talented Barons won the Santa Ana Soph Tournament, and broke the record for the most points in a game when they scored 91 against Katella. Coach McNamara stated that the team's success was due to an excess of talented players. The Barons were led by M. Eppelheimer, who was backed up by C. Hubbard and M. Fry. The team's leading forward was C. Stoll. Other forwards were D. Cowan, J. Harlow, D. Polikretis, F. Real and D. Haskell. Starting guards were J. Ramirez and R. Reuland backed up by J. Coppom, C. Reynolds, the Barons finished with a 4-6 record to take 4th place in the Sunset League and a 12-10 overall record.

The Frosh District Basketball team finished their season with a 5-8 record. The team was led by A. DeLuca and M. Walker. The high point of the season was the one point victory over Ocean View. Although the season wasn't as successful as hoped, the players' enthusiasm and spirit helped minimize the loss.

Led by B. Rofer, G. Svalstad, S. Ford, R. Hansen and S. Ogle, the 1977 Varsity volleyball team looked towards a promising season. This year's team was the best team in Baron history representing FVHS. The height of the Barons was a great asset to their league games.

Coach Lovelace feels the team has great potential of winning the Sunset League championship and going all the way in CIF.

The 1977 JV Barons were the tallest JV team in Orange County.

The title for league champion should be a great challenge to the young Barons.

Tennis Anyone?

This year's Baron Varsity Tennis team was by far the highest quality ever turned out from FVHS. The primary reason was the result of Coach Snowden's 4 years of developing his players. Even in one of the toughest leagues in the nation, the Barons rank high.

The 1977 JV tennis team was the strongest JV team in the years of FVHS.

Coach Snowden feels the team has potential of capturing league championship.

The F/S tennis team of this year was a large group of experienced players. The young Barons possessed raw talent, insuring future V and JV teams to be promising ones.

Student Council Betters the Activities on Campus

The Executive Council was extremely busy this year working toward a variety of goals. Better communication was one of the major goals and was accomplished through surveys, activity bulletin board, newspaper articles, and the posting of Council agendas and minutes. Campus Beautification was a constant concern as the Council tried to encourage the student body to pick up their trash in an effort to win the district-wide contest and a $5000 first prize. Revising the Constitution and by-laws was another of Council's projects. But one of the biggest goals of this year's Council was to improve the morale on campus through the upgrading of the activities program. The Activity Days, Assemblies, together with pep assemblies for many sports served to accomplish this. Activity Day assemblies ranged from the Dating Game, a KEZY noonie, and a hypnotist assembly. The long range goal was establishing a student store on campus. Overall the 1976-77 school year proved to be a very successful and rewarding year for this year's Executive Council.

On the Spot With Preciseness and Spirit

This year not only was there a Sir Morgetroid, we also had a Lady Morgatroid both portrayed by two spirited girls, K. Hughes and T. Malone. They showed their utmost spirit at games and pep rallies. At the football halftimes, a lot of concentration was put forth by the head drum majors J. Kalb, and L. Niesley. Assistant drum major was G. Williams. They led the band on the field and at parades, giving the tempo of the music. S. Crane did her thing as she twirled her baton at football halftimes while both ends were bursting with flames, and showing her talent as she twirled sharp blades while doing foot movements at the same time.

FBLA Shows Success

Future Business Leaders of America raised money in several ways this year. They had a type-a-thon, candy sale, saved newspaper and aluminum. One of their projects was beautifying the business hall. They attended a workshop to better their learning and leadership in FBLA and to better their learning in a competition. The competition which they entered was a sectional conference, to a State Conference, then to a National Conference which was held in Florida. Our future business leaders of America prove to be very successful.

German and Latin Club Do It All.

This year the German Guild and the Latin Club planned different activities to do. Among all the arguments at the untimely meetings they had, they accomplished to have a combination of several activities. Car washes, bake sales, a roller skating party, a Disneyland trip and the participation in International week. The German Guild participated by selling wieners and sauerkraut and are planning to have a few more fund-raising events to end the year.

Keywanettes Have Productive Year

Keywanettes, a service group sponsored by the Fountain Valley Kiwanis had a very productive year. They participated in projects such as painting curbs to sponsoring the Christmas dance. Their annual selling of Homecoming Mums and Valentine Suckers contributed to their planned single service project. Their voluntary services included such services as serving at all sports banquets, scoring for a bowling league, working at Fairview, entertaining the elderly, sponsoring sock-hops, participating in March of Dimes and helping with the Muscular Dystrophy Telethon. The overall attitude of the girls was to be greatly appreciated.

The Aquatics Club also had a lot of fund raising activities and went to Magic Mountain and participated in intersquad activities. They went on a camping trip to San Onefro and all had a great time. Both Clubs have a lot of fun in doing what they are good at and do it well.

Consist of Baron Wizards Magic Club Executes Their Tricks

The Magic Club was a very successful group this year. They put shows on for groups such as boy scouts, social groups, and entertained at parties for little children. S. Pinkus brought recognition to our school by going on the amateur hour television program The Gong Show and winning the top prize. This group of wizards were found making things disappear and reappear, cutting rope to shreds, and ripping apart paper bags. They helped each other to improve their skills throughout the year and proved to be a very entertaining group on campus.

Thespians Just Might Go Pro!

This is an elite society for actors and actresses of extreme potential. All of them are destined to become leading names on future American or world-wide stages.

They did different fund raising projects and did a show called "Ham on Rye" which was open to any of the drama students to put on a skit that they wanted to do. These energetic students worked hard all year to put on good performances and did it well.

Orchestra and Stage Band play for enjoyment of others. Orchestra played for winter and spring festivals and played the music to our spring musical "Oliver." They went on a weekend retreat to Idyllwild and had a great time. The Stage Band, which is made up of 21 instrumentalists and 1 vocalist, is primarily a jazz group. They put on a successful mom and pops dance in January and went to a jazz festival. They walked away with high ratings and everyone enjoyed both groups' music to the fullest.

Le Mot Staff Puts It All Together

The '76-77' Le Mot Staff was one of the most creative and controversial in their history. They've tried everything to evoke student response, and this year they've received it in more ways than ever. There wasn't a subject that Le Mot wouldn't tackle — even the administration came under their fiery editorial wrath. Original interviews with celebrities like Roger Daltrey highlighted the year, with more color issues than ever before.

ODE

Being chased down an algebraic hall,
An integer is backed upon a geometric wall.
Racing down the positive, approaching nought;
Beyond is negative, what is wrought?
Zero is a nothing thing, but less is non;
There is no esse, no existence; all is gone.

Safety in a maze, a trapezoid,
Even hiding in a cardoid,
All is lost, I cannot integrate;
Yet I must differentiate.
The negative change; a minus sine;
If this be done, all may be fine

Angles are involved, the radius and pi,
Take two rational numbers and multiply
If positive, there are no zeros;
But mixed, a negative reappears.
The zero allways zero is, no acute.
There is but one solution, the Absolute

Once upon a staff in a school sanctioned under the title of Fountain Valley High, a group of rambunctious youngsters decided to combine their talents towards the efforts of creating the 1976-'77 yearbook. Every other day when the clock struck 12:00 the yearbook room would come alive with the sounds of silence **(above).** Magic seeped through the doors of the yearbook room, mingling with the perversion and insanity that reigned within. Chanting could be heard rising from the hole in the wall, known as the darkroom, found below the smiling picture of Tim Mennealy heralding a welcome sign, as he guides the yearbook staff while sipping a yogurt **(far right).** Inside the throbbing walls of the darkroom the photographers Eric Anderson, Mike Kelly, Dan Mason, Jeff Foust, Bob Soule, Henry DeCambra, and photo technician Will Hogue are busy developing **(above right).**

Occasionally minor difficulties affected the otherwise harmonious yearbook staff.

"Give me that picture."
"No, I'm using it."
"Hey you guys, I already used that picture twice." Jean-Marie Bunney, the problem solving yearbook editor would come to the rescue **(far bottom right).**

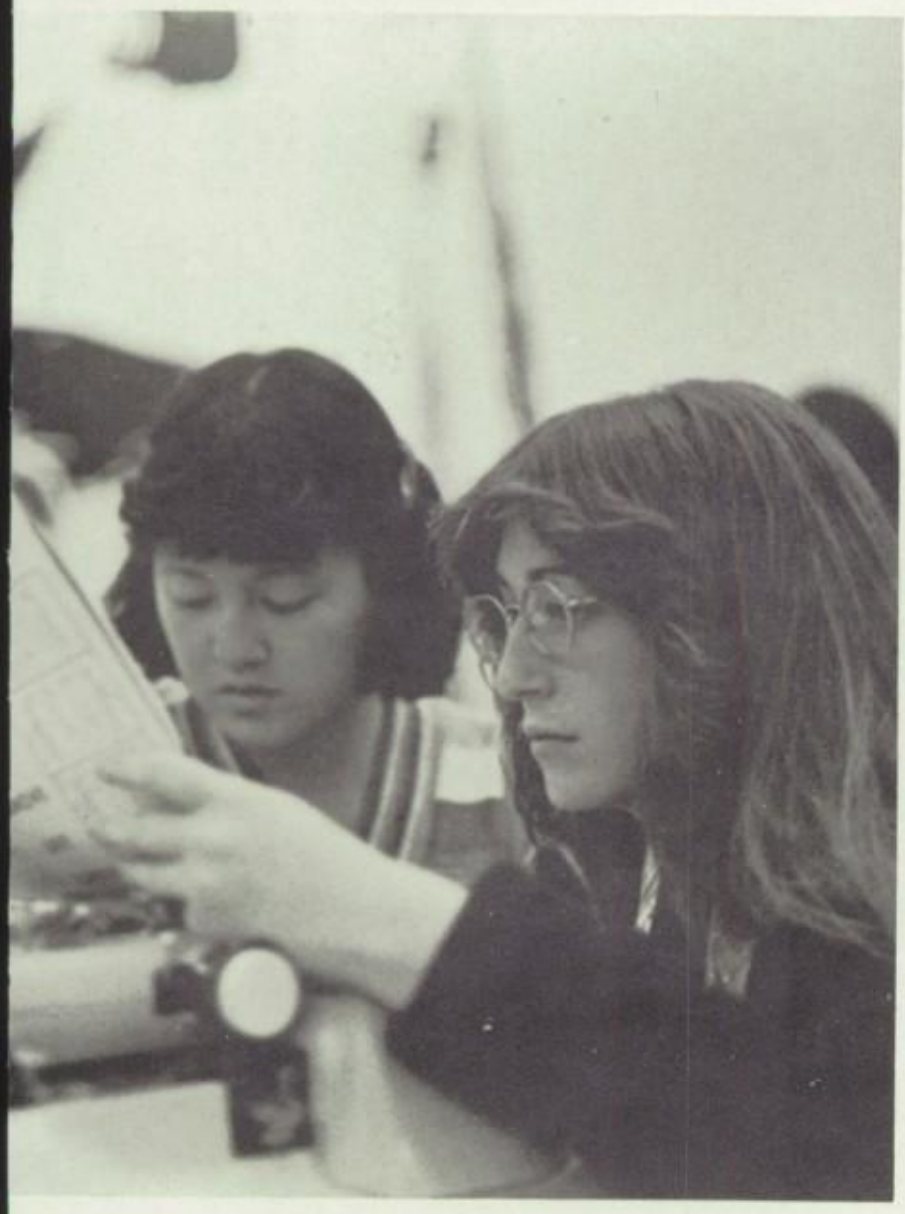
"If I close my eyes, do you think they'll go away?" **(far middle right)**

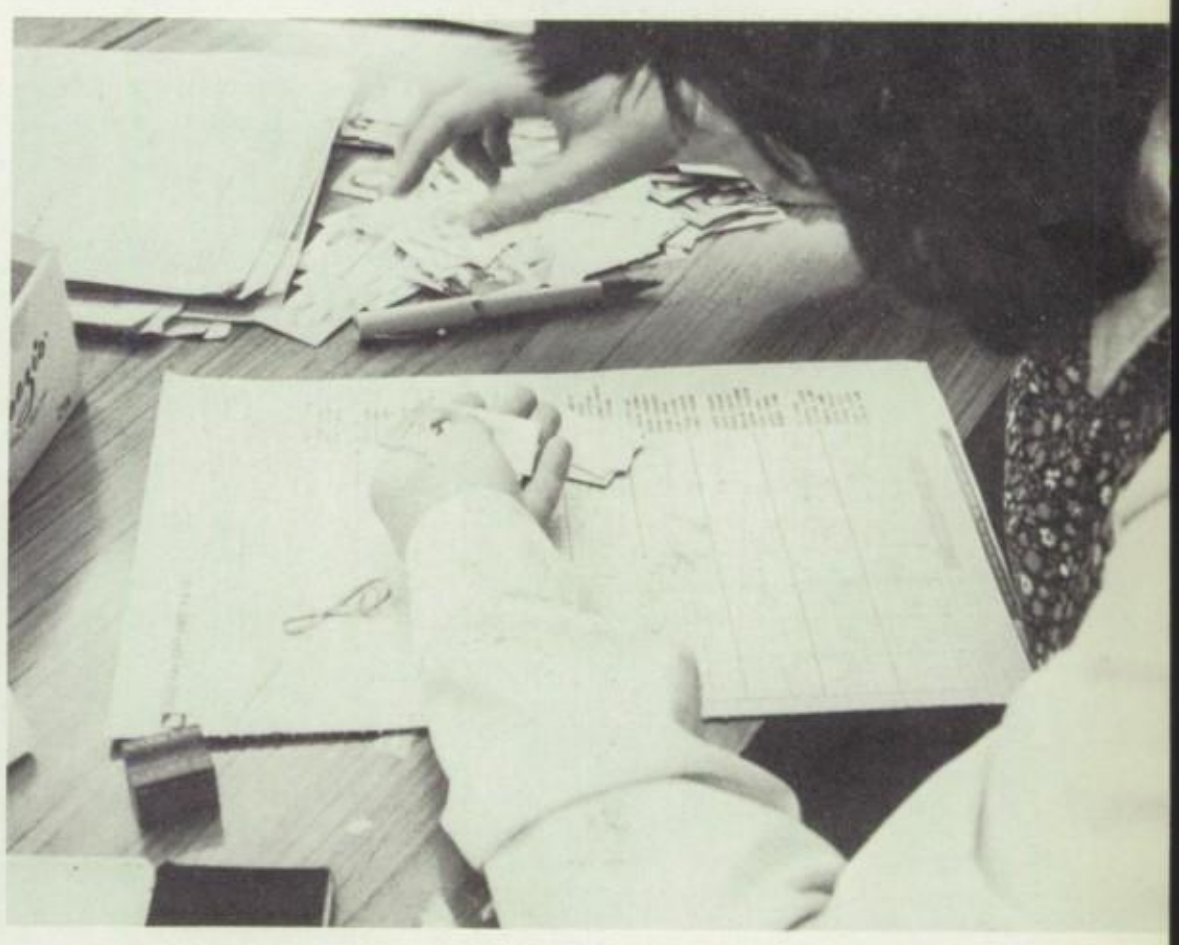
"You know Linda I have a problem, this section is due at 2:00 but I'm not getting the copy until 3:00." **(bottom right)**

"Okay then I won't put the sophomores in the yearbook." **(right)**

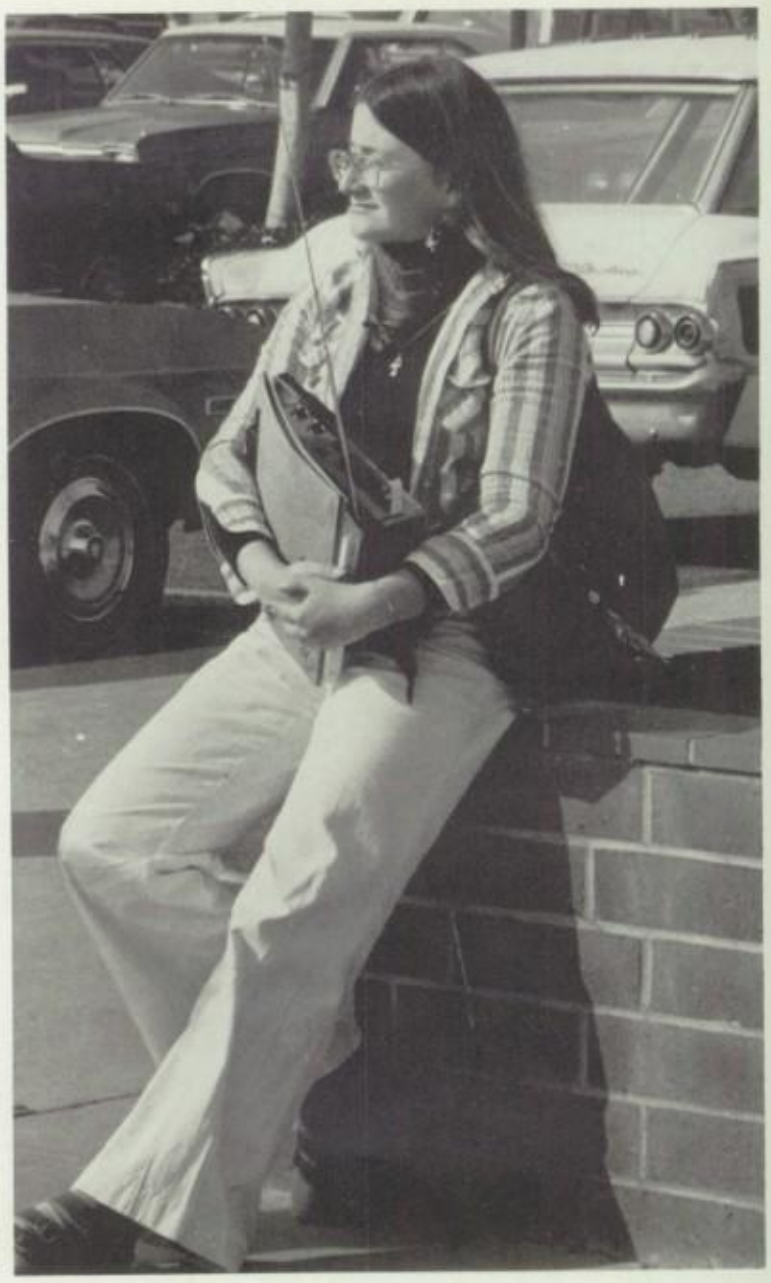
Autographs may be obtained when the staff returns from their annual stay in the funny farm, fully or partly recovered.

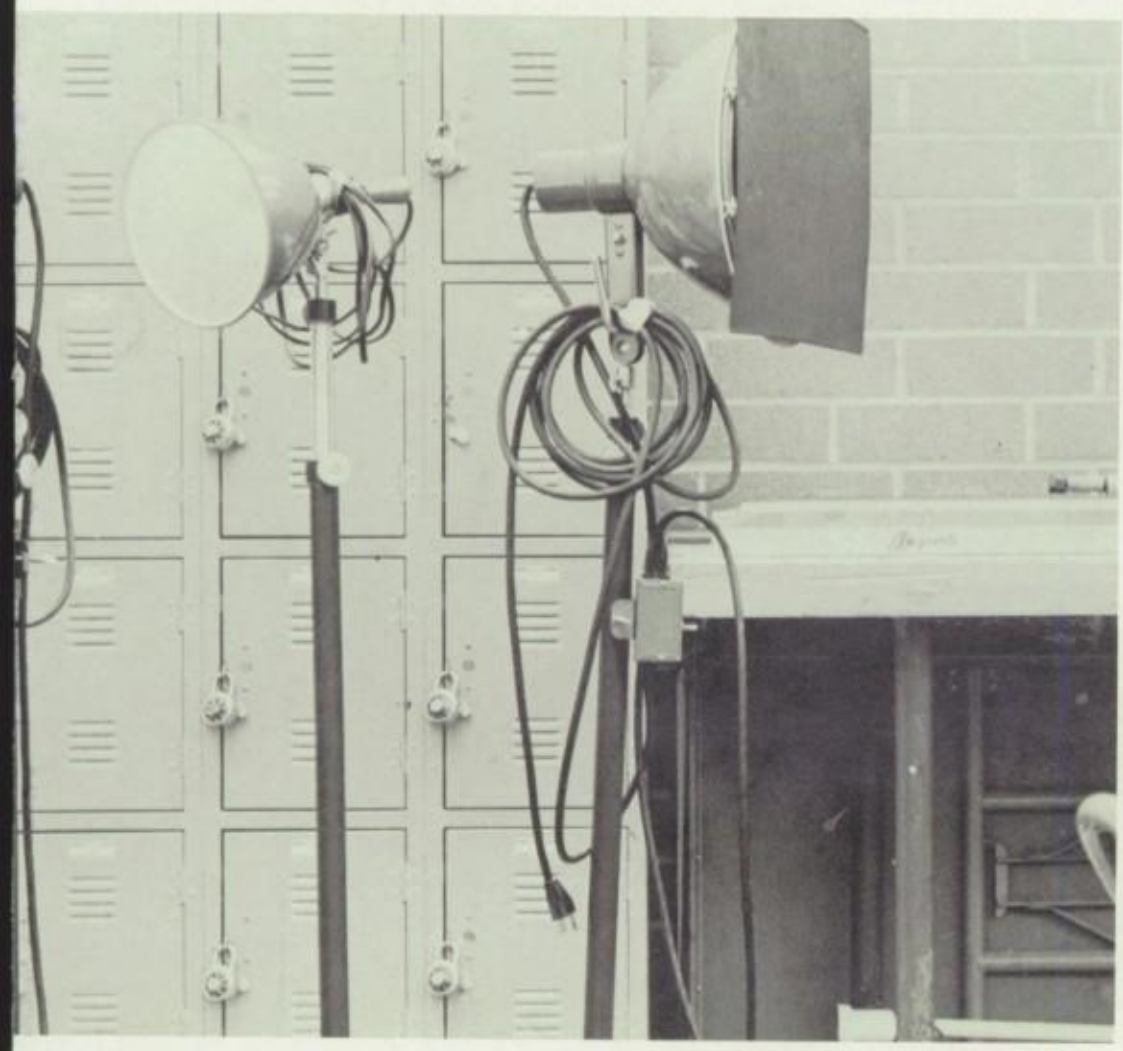
top right corner (pg. 348): Left to Right: Eric Never Wrong Anderson, Jean-Marie who? Bunney, Henry photo-Mat DeCambra, Jeff Disco Foust, Michael Cheap Shot Jaws Kelly McMann, Jeryll Kosher Lipke. **2nd Row:** Dina Shoutingfront, Beth Frosh Lunetta, Mary M&M Oganaku, Dan where the Hell is Mason, Marie Prim & Proper Protzner, Linda Crop-sticks Shimomura. **Back Row:** Larry Horse-trainer Sistler, Bob Click-whirr, click-Whirr, Click-Whirr Soule, and Advisor Tim How Tacky Mennealy.



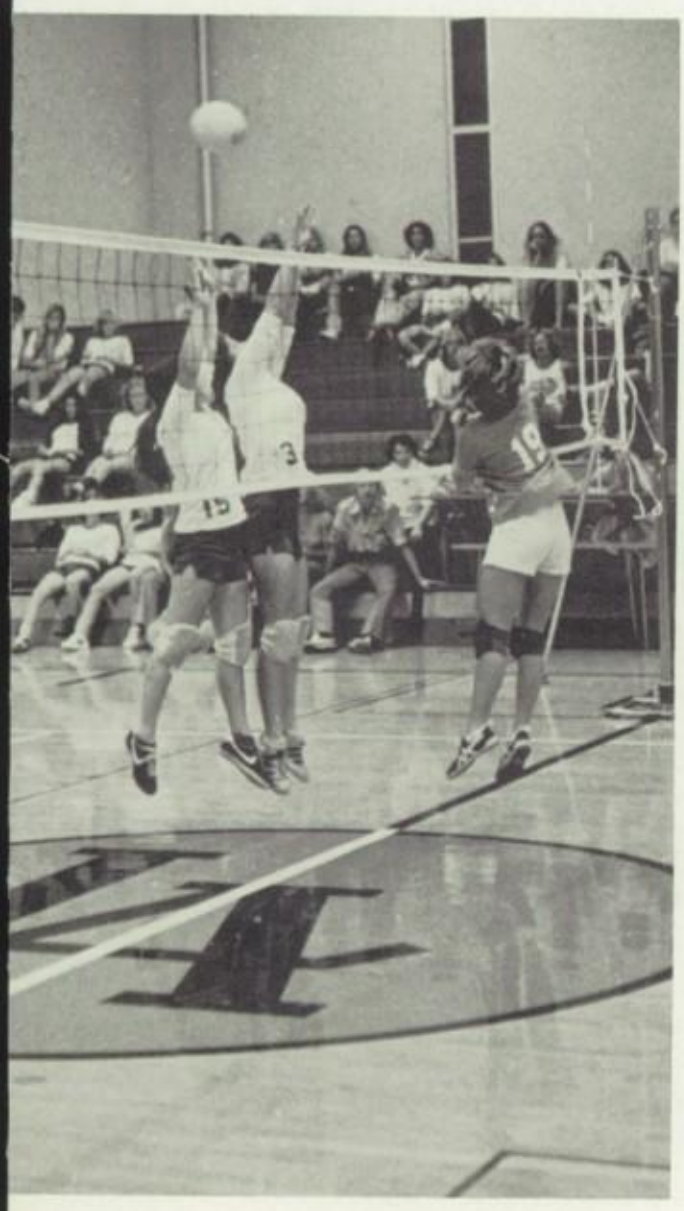


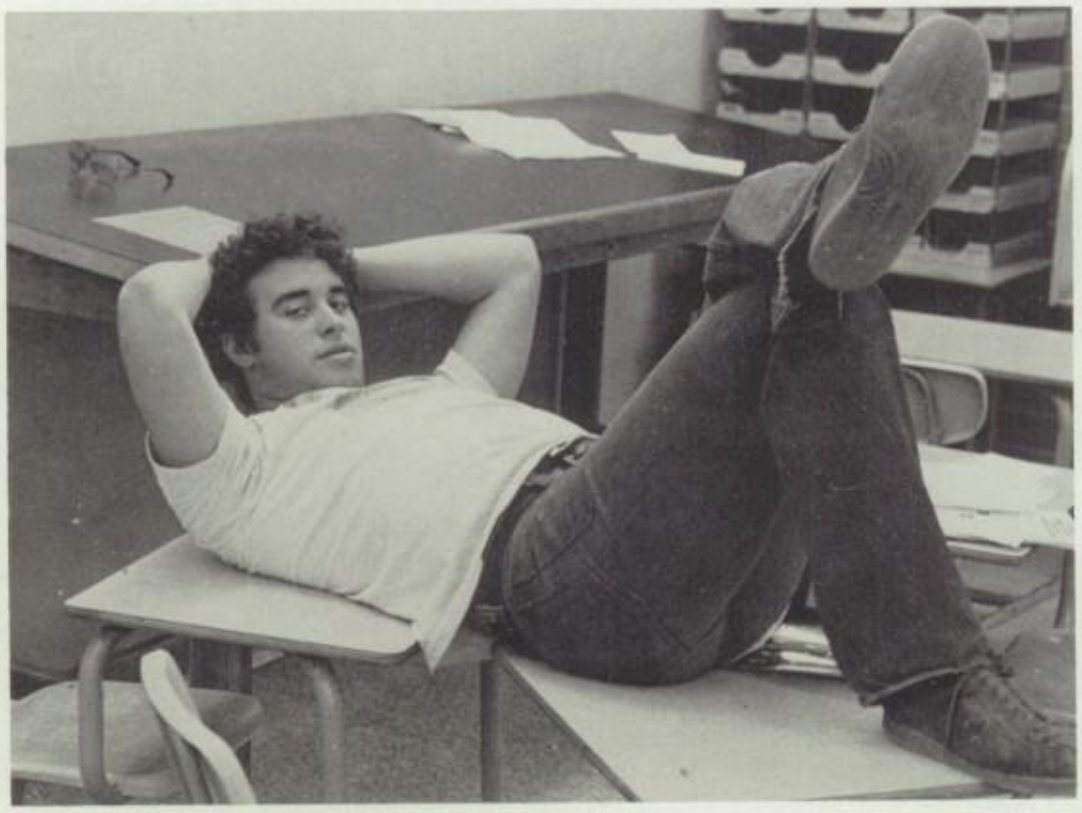
It's time to grasp the moments that are happening now before they slip away.

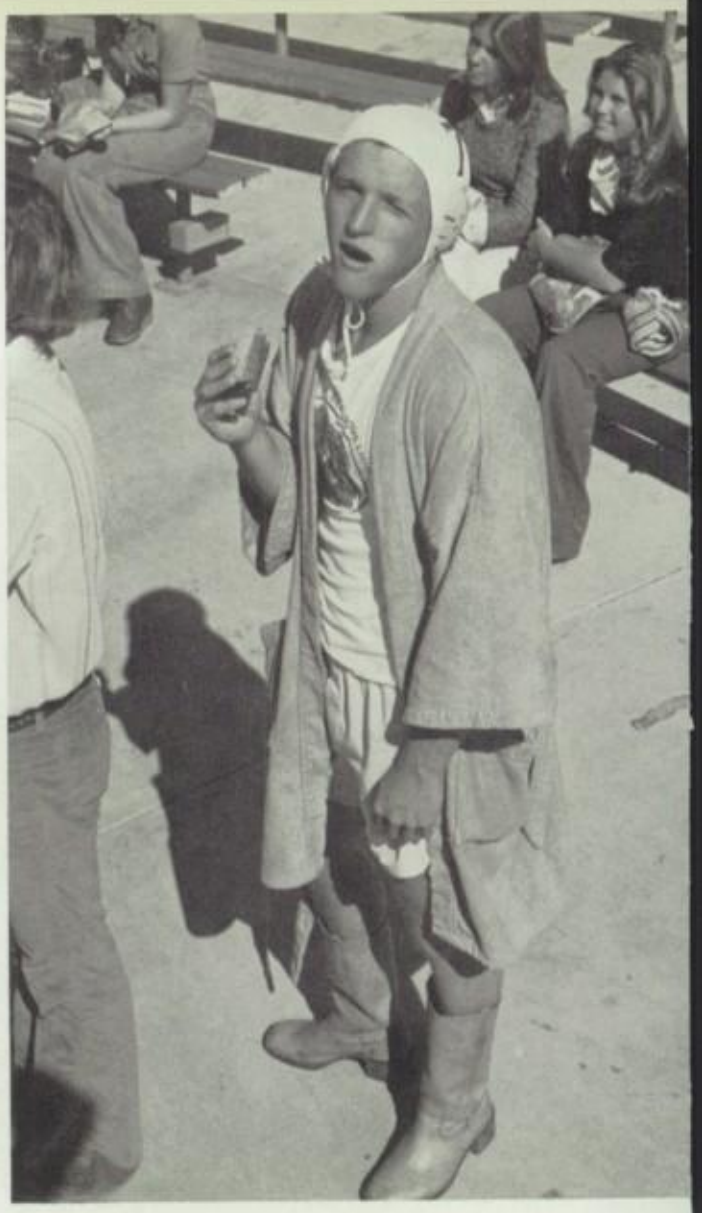




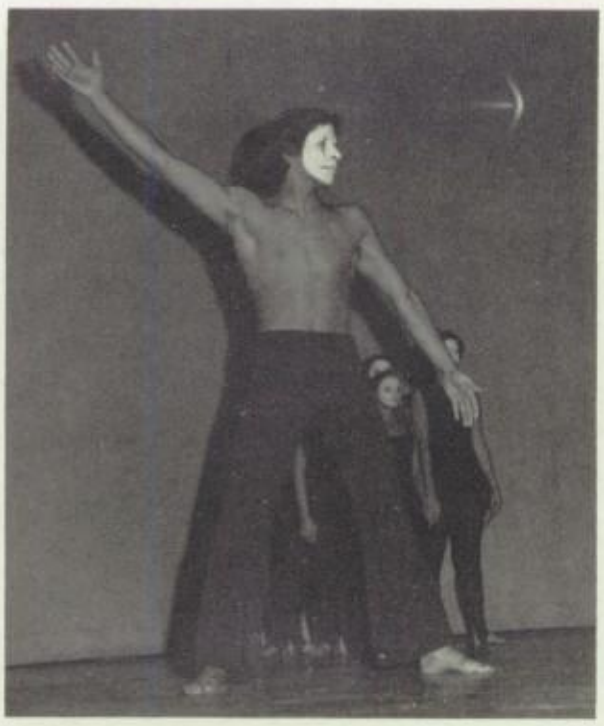
To see them,
hear them,
and feel them
as they swiftly
pass by.







It's time to experience that which can only be known now,



Because . . .

NOW IS THE TIME TO LIVE
TOMORROW'S MEMORIES.

Jean-Marie Bunney

Editor's Note: The purpose of this book may not be realized now, but it is hoped that in the future you will be able to look back, and with the help of this book, be able to remember the 1976-77 school year. I hope this book helps to stir remembrances that are not depicted here, and that you will come to realise what a great treasure you now hold in your hands.

I wish to thank all those members of the staff who really put their best effort into each individual section of the book, making the total such a success. I'd like to thank Mr. Steve Eddy for offering so much help with the planning of the book. I give a sincere thanks to Mr. Mennealy who always seemed to have the solution, and who always made sure things ran smoothly.

In closing, I wish to say thank-you to everyone deserving of thanks, you know who you are and I hope everyone involved in the book's production feels the same amount of satisfaction in seeing this book finally complete as I do.
